OFFICE OF THE DDI

DATE: 12 June 1973

TO: General Allen *La*

FROM: Herb Jenne, DDI/IRS,

SUBJECT: Proposed New TKH Decontrol Policy

REMARKS:

Attached is a draft USIB briefing note from Mr. Proctor to the Director on the subject of the new TKH decontrol policy.

Mr. Proctor has asked me to coordinate the paper with you and request your concurrence in the recommendations in paragraph 5 (page 4) of the basic memorandum.

*I concur with IP 5 -
also with recommendation summary
in IP 2 but not that attached
proposal #2 doesn't seem to make
clear that material should be no lower
than secret - *the secret is in IP #1.**
